

Company Profile – Electronic Assembly

Facts

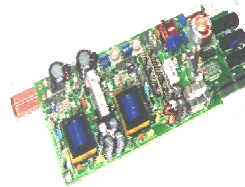

- Headquarters: Kowloon, Hong Kong
- Manufacturing: Fenggang, Dongguan, GuangDong, PRC
- 169,500 Sq Ft manufacturing
- ISO 9001 – 2000 and ISO 14000
- TS 16949
- ISO 13485
- RoHS Compliant Manufacturing

Major Product Lines

- Coils / Transformers
 - ✓ Toroid, Bobbin
 - ✓ High Frequency Switching, SMD / PCB
- PCB Assembly
 - ✓ Thur-Hole
 - ✓ SMD
- Power Supplies
 - ✓ AC-DC Switching
 - ✓ DC-DC Converter

Major Production Equipment

- MyData SMD MY12
- MyData SMD TP11
- Presco & Speedline Screen Printers
- Electrovert Omniflo Oven
- ETS Reflow Oven
- ERSA Wave Solder
- Vacuum Chamber
- Jovil / Chailease Auto Wire Winders
- Ferrite Grinding
- Lead Cutting / Lead Forming
- EMI Screen Room

Major Testing Equipment

- PowerTest Auto Test Equipment
- Teradyne & GenRad I.C.T.
- Feutron Environmental Chamber
- HP Precision LCR
- Burn-In Chambers
- Hipot Tester 10Kv
- Frequency Counter
- Oscilloscopes
- S-T Industries Optical CMM
- Leica Microscope with display

Keys to Selecting TEAMWISE as Your Outsourcing Partner

- **Asset Management** - Financially stable with a progressive position on technology
- **Program Management** - Program managers / local US contacts assures open and timely communication
- **Structural Culture** - ISO, Employee certification, Business index reviews, Customer index reports
- **Quality Initiatives** - SPC, Root Cause Failure Analysis, Lot Traceability, Continuous Improvement
- **Local Sourcing** - Procurement leverage and cost benefit of local sourcing
- **Turnkey Operations** - Turnkey China cost basis, Focus on low to medium order volumes, On-time delivery
